

**INCREASE GUEST LOYALTY AND DRIVE REVENUE BY PROVIDING GUESTS WITH THE CONVENIENCE OF RELIABLE HIGH-SPEED INTERNET ACCESS.**

## ■ SIMPLE

With Charter Business® Hotel Internet, it's easy to provide guests with an amenity they enjoy at home, at work, and when they're on the road—high-speed internet access.

## ■ FLEXIBLE

Offer your guests a variety of value-added services, and bill guests in a variety of ways.

## ■ RELIABLE

We provide reliable, business-class service at the optimal speed, and 24/7 customer service backed by experienced local Charter Business technicians.

## WHAT IT IS

A traveler's decision on where to stay is often based on a lodging establishment's ability to provide internet access. Charter Business Hotel Internet provides guests with fast and easy-to-use internet access throughout your property: guest rooms, meeting rooms, and even the lobby.

## HOW IT WORKS

Guests connect to Charter Business Hotel Internet by simply plugging in an Ethernet cable or activating their wireless card.

**WHAT YOU GET**

FEATURE	BENEFIT
Reliable High-Speed Internet Access	Fill your rooms, increase guest loyalty, and help drive revenue.
Installation Services	If your rooms do not already have internet access, we offer solutions that don't require rewiring—thus minimizing disruption during installation.
Customer Care	We provide 24/7 phone support for guests and property staff, such as on-site equipment monitoring and equipment management (including configuration, upgrade, etc.).
Competitive Pricing	Take advantage of flexible pricing that is tailored to your financial needs and guest demands.
Branding	Your guest log-in page will include your property's name, logo, and marketing message.

Offer your guests reliable, easy-to-use internet access. Call Charter Business® today.
